APRIL 2017

Our mission is to ensure a Christian based, safe, hands-on, developmentally appropriate, fun learning environment that meets the needs of the whole child...physical, spiritual, emotional, social, and intellectual. This is done by providing a variety of experiences in art, children's literature, music, dramatic play, fitness, cooking, and gross motor activities. We provide an environment where children can discover for themselves, become self-directed and independent, and experience activities that will help them grow and develop.

WEEK OF THE YOUNG CHILD

April 24-28

The Week of the Young Child™ is an annual celebration sponsored by the National Association for the Education of Young Children (NAEYC) celebrating early learning, young children, their teachers and families.

All week each class will have activities geared for the young child in their classrooms. Children all over the country will be participating in the same theme based activities!

MONDAY: Music Monday-Through music, children develop math, language, and literacy skills - All while having fun and being active!

TUESDAY: Tasty Tuesday-This fun, food-themed day is about more than just cheese and crackers. Cooking together connects math with literacy skills, science, and more. With the rise in childhood obesity, you can encourage healthy nutrition and fitness habits at home and in the classroom

WEDNESDAY: Work Together Wednesday-When children build together, they explore math and science concepts and develop their social and early literacy skills.

THURSDAY: Artsy Thursday-Children develop creativity, social skills and fine motor skills with open-ended art projects where they can make choices, use their imaginations, and create with their hands. On Artsy Thursday we will celebrate the joy and learning children experience when engaged in creative art making.

FRIDAY: Family Friday-Engaging and celebrating families is at the heart of supporting our youngest learners. We applaud family members' role as young children's first and most important teachers!
