Sonshine Christian Preschool 14515 Harvey Oaks Avenue
Harvey Oaks Baptist Church Omaha, NE 86144 208-7333

October 2016

Our mission is to ensure a Christian based, safe, hands-on, developmentally appropriate, fun learning environment that meets the needs of the whole child...physical, spiritual, emotional, social, and intellectual. This is done by providing a variety of experiences in art, children's literature, music, dramatic play, fitness, cooking, and gross motor activities. We provide an environment where children can discover for themselves, become self-directed and independent, and experience activities that will help them grow and develop.

Just Playing By Anita Wadley

When I'm building in the block room, please don't say I'm "Just Playing."
For, you see, I'm learning as I play, about balance and shapes.
Who knows, I may be an architect someday.

When I'm getting all dressed up, setting the table, caring for the babies, Don't get the idea I'm "Just Playing". For, you see, I'm learning as I play. I may be a mother or a father someday.

When you see me up to my elbows in paint, or standing at an easel, or molding and shaping clay,
Please don't let me hear you say, "He is Just Playing." For, you see, I'm learning as I play. I'm expressing myself and being creative. I may be an artist or an inventor someday.

When you see me sitting in a chair "Reading" to an imaginary audience, Please don't laugh and think I'm "Just Playing." For, you see, I'm learning as I play. I may be a teacher someday.

When you see me combing the bushes for bugs, or packing my pockets with choice things I find, Don't pass it off as "Just Play". For, you see, I'm learning as I play. I may be a scientist someday.

When you see me engrossed in a puzzle, or some "plaything" at my school, Please don't feel the time is wasted in "Play". For, you see, I'm learning as I play. I'm learning to solve problems and concentrate. I may be in business someday.

When you see me cooking or tasting foods, please don't think that because I enjoy it, it is "Just Play". For, you see, I'm learning as I play. I'm learning to follow directions and see differences. I may be a chef someday.

When you see me learning to skip, hop, run, and move my body, please don't say I'm "Just Playing". For, you see, I'm learning as I play. I'm learning how my body works. I may be a doctor, nurse or athlete someday.

When you ask me what I've done at school today, and I say, "I Just Played". Please don't misunderstand me. For, you see, I'm learning as I play. I'm learning to enjoy and be successful in my work. I'm preparing for tomorrow. Today, I'm a child and my work is play.
