MAY 2017

Our mission is to ensure a Christian based, safe, hands-on, developmentally appropriate, fun learning environment that meets the needs of the whole child...physical, spiritual, emotional, social, and intellectual. This is done by providing a variety of experiences in art, children's literature, music, dramatic play, fitness, cooking, and gross motor activities. We provide an environment where children can discover for themselves, become self-directed and independent, and experience activities that will help them grow and develop.

Dear Parents,

As we approach the end of this school year, we have but one thing to say:

Thank You!

You have shared with us your greatest treasures, your children! We have just been awed by the special qualities of each of your children and we are so thankful for the opportunity to do what we love to do!

Watching your children grow has made us laugh, smile and further confirms to us that each child has been designed by God! God has given each child their own special talents, gifts and abilities all unique in their own way! What a wondrous miracle in a small package.

Thank you for your donations, time and energy you have given us at Sonshine! Our days are not possible without your support. We leave this school year with many good memories, funny stories, touching moments and most of all, huge smiles on our hearts!

Thank you for an amazing year!
